About the Instructor: Alana Biasi grew up on a family of artists. Her mother, sister and brother are all artists. Alana was a student at the St. Lawrence College of Fine Arts in Brockville, Ontario. Since her graduation, Alana has been teaching art to both children and adults for over 15 years.

Course Content: Learn to paint Nature's most fabulous flowers – the Iris in this fun and informative workshop. We will be painting a ½ sheet (300lb paper) watercolour featuring negative painting techniques in blues, violets, greens and pinks. Lots of wet-in-wet fun, but just the right amount of detail to keep it interesting. Watch the Irises “pop off the page” right before your eyes as you paint.

This class is for the watercolour artist with some previous experience.
